

Mads Tolling Presents....

Jazz String Orchestra @ Berkeley Jazzschool

Attention String Players!

Learn how to improvise & groove and discover your instrument in a new way.

Turtle Island Quartet violinist Mads Tolling will lead a Jazz String Ensemble at the Berkeley Jazzschool. This is for intermediate and advanced violinists, violists, cellists and bassists - all ages are welcome. Material covered will include Turtle Island Quartet, Edgar Meyer & Jean-Luc Ponty. Techniques such as walking bass, shuffle bow and "the chop" will all be part of the curriculum.

Classes will commence on August 23 and will go through the end of the year. The orchestra will meet every Monday, 4-6pm. It's a two-unit class for credit, and registration is now and soon to be over.
